Workiva Opens Registration for Sixth Annual User Conference

Wdesk Users to Share Best Practices at The Exchange Community

Ames, IA - March 1, 2017--Workiva (NYSE:WK), a leading provider of enterprise cloud solutions for improving productivity, accountability and insight into business data, opens registration today for its sixth annual user conference, The Exchange Community (TEC), to be held September 19-21, 2017 at the MGM Grand in Las Vegas, Nevada.

TEC brings together Wdesk customers and industry leaders for three days of learning, networking and sharing best practices.

"TEC helps people discover more ways to work with Wdesk," said Matt Rizai, Chairman and CEO of Workiva. "Customers will also have a chance to share ideas and learn about upcoming Wdesk features from our developers and customer success managers."

The Exchange Community 2017 Highlights

- Session tracks on audit and enterprise risk, controls management, regulatory reporting, accounting and finance, and SEC reporting
- Wdesk data platform enhancements
- Wdesk best practices for Sarbanes-Oxley Act (SOX) and internal controls management
- Sessions hosted by the SEC Professionals Group and the SOX & Internal Controls Professionals Group
- Networking opportunities with more than 1,500 Wdesk users

About The Exchange Community
The Exchange Community (TEC) is the annual Workiva conference that brings together Wdesk users and industry leaders for three days of training and networking. TEC 2017 will be held in Las Vegas at the MGM Grand, Sept. 19–21. To register, visit tec.workiva.com.

About Workiva
Workiva (NYSE:WK) created Wdesk, a collaborative work management platform for enterprises to collect, link, report and analyze business data with control and accountability. Thousands of organizations, including over 70 percent of the Fortune 500[®], use Wdesk. The platform's proprietary word processing, spreadsheet and presentation applications are integrated and built upon a data management engine, offering synchronized data, controlled collaboration, granular permissions and a full audit trail. Wdesk helps mitigate risk, improves productivity and gives users confidence to make decisions with real-time data. Workiva employs more than 1,200 people with offices in 16 cities. The company is headquartered in Ames, Iowa. For more information, visit workiva.com.
