**About Workiva**

Workiva created Wdesk, a cloud-based platform for enterprises to collect, manage, report and analyze business data in real time. Wdesk includes a sophisticated productivity suite for business data collaboration and reporting that is used by thousands of corporations, including more than 65 percent of the Fortune 500. Wdesk proprietary word processing, spreadsheet and presentation applications are fully integrated and built upon the Workiva data management engine. Wdesk helps reduce enterprise risk and increase productivity with synchronized data, controlled collaboration, granular permissions and a full audit trail. This gives users confidence to make decisions with real-time data. Workiva employs more than 900 people with offices in 15 cities. The company is headquartered in Ames, Iowa.
